0.3	<p>Hello my name is _____. I work for REACH. Together with UNHCR, we are currently conducting a survey to understand the needs of refugees in the camps. We would like to know more about the needs of your family and to what services you have access. The survey usually takes between 30 and 45 minutes to complete. Any information that you provide will be kept anonymous. This is voluntary and you can choose not to answer any or all of the questions if you want; you may also choose to quit at any point. However, we hope that you will participate since your views are important. Participation in the survey does not have any impact on whether you or your family receive assistance. Do you have any questions? May I begin now?</p>
