## Overview

### ABSTRACT

From October to December 2020, UNHCR supported over 2,100 refugees (850 households) in Obo, Central African Republic from South Sudan and the Democratic Republic of the Congo with cash assistance to cover food needs. Each household was allocated 9,000 XAF per person per month. Post-distribution monitoring (PDM) of this assistance was conducted in January 2021 with the objectives of understanding the efficiency of the distribution process, accountability to the refugees and risk and problems faced. The PDM included a household survey and focus group discussions.
